

TNRERA / 6 / 2018

Dated: 05.09.2018

CIRCULAR

Sub:- TNRERA – Registration of Project – Registration Charge
– Instructions – Issued

Ref:- G.O.Ms.No.112, H&UD Dept., dated 22.6.2017.

For layouts approved after 01.05.2017 and application received for registration for construction in the specific layout, registration fees should be collected for the entire layout and for the building. The promoter should register the layout first and then apply for registration of buildings. If the promoter produces relevant documents for registration for both the layout and for the building registration should be done for both the layout and building in the same file. However, separate registration number shall be assigned for layout and for the buildings.
